на № _____ від _____

Dear colleagues

In order to improve collaboration between universities and encourage students to do scientific research, Odessa National Academy of Food Technologies (Ukraine) would like to invite the students of your institution to participate in the **International competition of student scientific works**.

The competition is held in the following fields:

1. Food science and technology (the safety and quality of food, new technologies for the food industry, gastronomy and national cuisine);
2. Economics and administration;
3. Automation;
4. IT technologies and cybersecurity;
5. Renewable energy sources and environmental protection;
6. Refrigerating machines and equipment.

The deadline for work submission is March 5, 2018. Afterwards, the authors of the best scientific works are invited to participate in the final Skype conference. Participation is free of charge.

You can find more information regarding the competition on the web-site <http://isc.onaft.edu.ua/>
